## ***Thermoshield*** **Shutters®**

Whether you are building a new home or replacing existing window coverings, you won't find a window treatment that looks better, lasts longer and insulates more efficiently than Thermoshield Shutters.

You'll be amazed at how beautiful your Thermoshield Shutters will look in your home. They are the ultimate in window coverings, delivering a classic and elegant look that will add style and value to compliment any decor.

We GUARANTEE that our Thermoshield Shutters will not split, crack, chip, peel or warp. They will never need painting, are impervious to termites, fire retardant and water resistant, making them ideal for wet areas such as bathrooms and kitchens. They are UV stabilized to avoid discoloration, are easy to clean and are made from a non-toxic synthetic recyclable material that looks and feels like wood.

*Our Thermoshield shutters come with a 20 year Warranty*

## BASSWOOD Shutters

Basswood Plantation Shutters are made from 100% Furniture Grade North American Plantation Timber. This lightweight hardwood timber has a strong even grain that is finished in 5 coats of marine-grade poly-urethane paint. It is UV stabilized to withstand Australia's harsh climate.

The main benefit of Basswood is that it will resist denting and marking, and is also excellent for high traffic areas around your home. Each panel can also be made up to 950mm wide, offering an amazing view!

Basswood is available in 3 blade sizes – 64, 89 and 115mm and has the ability to be hinged, multi-folding or sliding to suit your requirements.

## LOUVRESHIELD Aluminium Shutters

Louvreshield Shutters have been designed and are ideally suited for exterior applications such as decks, patios, balconies, courtyards and wet areas. They keep out the hot sun and rain, whilst also controlling air flow and light. These Shutters offer privacy from neighbours but still allow you to maintain your view.

Our Louvreshield Shutters are made from reinforced extruded aluminium for strength and are available in a large range of powder coated colours to meet Australian standards. They are hard wearing, easy to clean and available as fixed, hinged, sliding and multi-folding panels.

Louvreshield Shutters are resistant to chipping, sagging, warping and require minimum maintenance making them an incredibly durable product.

*Designed for harsh Australian conditions and engineered to last*
